## **Indatatech re-verified as SDVOSB by VA**

*San Antonio, Texas* – Indatatech has been re-verified as a Service-Disabled Veteran-Owned Small Business (SDVOSB) by the Center for Verification and Evaluation (CVE) office of the Department of Veteran Affairs.

The verification is good for two years from the notification date. This is Indatatech’s first re-verification since the original verification in February of 2014. As of the release of this press release, there are currently more than 8,000 SDVOSB and VOSB (Veteran-Owned Small Businesses) that have been verified by the CVE.

CVE verified businesses are eligible to participate in the VOSB and SDVOSB set-asides issued by the Department of Veteran Affairs (VA), as well as participate in the VA’s SDVOSB Mentor-Protégé Program. The VA is one of the largest procurement organizations in the Federal Government with over \$3billion in annual spend with eligible Veteran-Owned Small Businesses.

*About Indatatech* – Indatatech (Instant Data Technologies) is a full service management and consulting company specializing in Logistics & Technical Services, Procurement & Sourcing Services, Staffing & Recruitment Services, and Facility Management Services. Founded in 2000, Indatatech has established a global presence working in over 12 countries, and numerous locations across the United States. Indatatech is a Service-Disabled Veteran-Owned Small Business (SDVOSB), a Small Disadvantaged Business (SDB), and Minority Business Enterprise (MBE). Focused on high performance, value add services, and high customer service. Indatatech provides solutions for “Instant Peace of Mind.”
